CAREER SUMMARY

Industrial Graphics Limited

Job Title Sr. Graphic Designer/Production Artist
Functional Area Design/Creativity
Period 2010.08.01 - **Current**
Industry Fleet Graphics Design/Production
Location Calgary, Alberta, Canada

Description

As Senior Graphics Designer for Industrial Graphics, I've been the principal design and layout specialist for companies such as The City of Calgary, Inland Cement, STEP Energy and PET Auto. Proficient in Mac and PC and have experience using Adobe Illustrator, InDesign, Acrobat and Photoshop, as well as CorelDraw, in both platforms. I have experience with Composer (Omega) and GS Plot. I'm an experienced Web Designer with experience in HTML and CSS, and have created advanced web sites for small and mid sized companies. I'm a strong team player but can work independently when required. I have supervisory experience, managing up to six junior graphic designers.

Roberts Lawes Design Inc.

Job Title President and Principal Designer/Web Developer
Functional Area Graphics and Web Design
Period 1998.01.01 – 2013.09.31
Industry Client Based Graphics
Location Calgary, Alberta, Canada

Description

With 25 years of business experience dedicated to design and layout of printed materials including advertising, corporate branding, marketing, web design, original artwork client relations and general business management. Proficient in desktop publishing for magazine layouts, brochure design and Corporate Annual Reports. Major clients include: Dakota Design; Canada Safeway, Simmental Country Magazine and Limousin Voice Magazine. Integrity, honesty and confidentiality are our guiding principals.
